This is to certify that Manash Boro, a student of MBA (Finance & Marketing), in Don Bosco Institute of Management, Guwahati has completed Summer Internship under State Bank Institute Learning and Development, Guwahati from 01.06.2025 for 8 Weeks, within the time allotted.

I have perused the Project Report on 11.08.2025 (A Study on Wealth Creation Through Strategic Investment Opportunities.) and found that it is in line with the objectives for the study.

I wish Manash Boro success in his career.
